Who we are

INTER

*“This splendid night will establish the colours of our badge:
black and blue on a background of golden stars.
It will be called Internazionale,
because we are brothers of the World.”*

Giorgio Muggiani

Inter Campus

Born as an expression of the ethical spirit that distinguishes **F.C. Internazionale Milano** since its foundation, **Inter Campus** is now defined as an authentic programme of **Corporate Social Responsibility**.

Mission

Since 1997 Inter Campus gives back the **Right To Play** to thousands of needy children, using the values of sport and the game of football as an educational tool.

Inter Campus contributes to the development of the local communities, supporting **educational, social** and **sanitary protection** programs carried out by local partners. Moreover, Inter Campus promotes social **integration** among differing ethnic groups and cultures.

Where in the world

Inter Campus is active in **29 countries**.

How we work

- **Formation:** technical and pedagogical clinics at least twice per year and continuous monitoring.
- **Official Inter jersey:** every year all children participating to the program receive their uniform
